3, 4 & 5 Yr. Olds and All Pre-K Classes

Notes from the Director

The past year has just flown by and all of the staff members at SSNS have enjoyed watching each and every child grow and develop over the year. We have also enjoyed working with you, the parents and other family members who we have met at the door and at events over this year. As the year winds down, we hope that you attend our end of year events with your child at Father's Night and at the end of year picnics. We hope to see many of you over the summer at our camps.

Thanks to all for your support over the past year. Your generosity in donations of supplies and fund raising efforts to the school have been greatly appreciated by all of our staff members.
